

Taking Care of You with Real-Time Text Messaging

No one expects to get hurt on the job – and when it happens, it can feel overwhelming. Our team is just a text message away throughout your road to recovery.

- 1** You get injured on the job – now what?
- 2** Let your employer know of your injury right away.
- 3** Your employer will file a workers' compensation claim.
- 4** Then, a dedicated claims representative or nurse case manager will contact you with information on next steps and to verify your preference on communicating via text messaging.

If yes, you'll receive a welcome opt-in text.

If no, you can still reach your claims rep/nurse case manager via email or phone call.
