

Build a Safety Foundation with Agency Education in 2023!

We're excited to announce our 2023 course offerings for our Building a Safety Foundation program – a free introductory training series for newer safety professionals and workers' compensation insurance agents, designed to help you protect your most valuable asset – your employees.

With nine hours of training, delivered virtually over the course of three days by our expert Loss Control team, this unique program will help to enhance your understanding of the basic principles of workplace safety, including:

- Identifying hazards
- Reducing injuries through training and prevention
- Adhering to OSHA guidelines
- Appropriately responding to incidents when they occur

We hope you can join us in 2023! [Click here to register for one of our course offerings:](#)

Experience for yourself what our participants are saying about this valuable learning opportunity:

“The format was great. Three separate days helped “soak in” the information instead of being overloaded all at once. ”

“The program provided enough information to get new safety professionals started. ”

“The content was on-point, and the presenters had real world experience and knowledge. ”

Our course offerings are now approved for HRCI and SHRM certification.
