

Become an **Expert** in 2023!

Agency Education **Putting You at the Head of the Class**

We hope you'll join us and take advantage of our latest Agency Education offerings in 2023.

Certified Authority on Workers' Compensation

See why our agent partners are raving about our CAWC designation program — now offered at a reduced cost in 2023! Earn your CAWC and become an expert on a variety of workers' comp topics. (Earn up to 16 hours of CE credits)

“ The class was fun and enjoyable, with all three instructors doing a really good job of breaking the material down and making it an interactive learning environment. I was impressed and pleased, and I'm thankful for this team. ”

— Valued agent partner

LEAD

“What I loved most about the LEAD with Comp experience was the case study, loss control information, claims process and visiting with agent partners. The entire team is genuine and sincere.”

— Valued agent partner

Building a Safety Foundation

Nine hours of training, delivered virtually over the course of three days by our expert Loss Control team, focuses on the role safety professionals have in creating and supporting an effective safety program for their organization. [Learn more about how we can help you achieve your safety goals in 2023.](#)
