Collett joined the United Heartland team in 2008. Previously, she worked as a registered nurse (RN) for 10 years, focusing on employee health and safety. She has held many roles in occupational health, nurse education and infection control, including RN lead of a community-based residential facility, bloodborne pathogens counselor, employee health nurse and CPR instructor.

Collett has worked in loss control in a variety of industries, ranging from casinos, cabinetry manufacturers, water and power plants, truck driving, hospitals and nursing homes. She is well-versed in safe patient/resident handling and provides training and consulting to staff and clients.

Collett earned a bachelor's degree in nursing (BSN) from the University of Wisconsin-Green Bay and an RN license from Bellin College of Nursing. She has been a member of the Association of Safe Patient Handling Professionals (ASPHP) since 2013 and received her Certification in Safe Patient Handling Program (CSPHP) in 2017.
