

TeleCompCare[®] vs Industry

TeleCompCare[®] provides injured workers quick 24/7 access to triage nurses who are trained to offer assessments, refer injured employees for medical care when appropriate and provide a convenient option to connect with an occupational physician via live video conference over a computer, tablet or smart phone.

The TeleCompCare[®] nurse triage hotline ensures injured workers can receive access to medical care whenever and wherever an incident occurs, 24/7.

	TeleCompCare [®] Offers:	Most Other Triage Programs Only Offer:
Nurse triage 24/7/365	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Triage algorithm used	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
