

# Devin Cohoon

Senior Loss Control Consultant

270-226-2389

Devin.Cohoon@AFGroup.com

Devin joined the Loss Control team in 2025 as a senior loss control consultant. He services accounts in western Tennessee and western Kentucky.

Prior to joining the team, Devin was a director of safety in the Southwest region for a green/recycling company. In that role, he oversaw renewable fuel manufacturing and produced various product ingredients. He has over 11 years of environmental, healthy and safety experience in general industry, including steel, rubber, automotive, PPE manufacturing and sales, rendering, animal feed manufacturing and energy (renewable fuel).

Devin earned his degree in Occupational Health and Safety from Murray State University.
